

Amend Section 31-502 to read:

31-502 CHILD FATALITY REPORTING AND DISCLOSURE REQUIREMENTS 31-502

- .1 When the county child welfare agency learns that a child fatality has occurred and has reasonable suspicion that the fatality was a result of abuse and/or neglect, the county child welfare agency shall generate a referral within the Child Welfare Services/Case Management system, and the county shall respond to the referral as described in Section 31-101.

~~.11 If the county finds an allegation to be inconclusive or substantiated, they shall complete the reporting requirements as described in Section 31-501.~~

.11 The county child welfare agency may "learn" of the fatality in ways that may include, but not be limited to, a formal report, emergency response referral, a cross report from a law enforcement agency or a private party. Once this information is learned the standard condition of reasonable suspicion is applied.

~~.111 The county may "learn" of the fatality in ways that may include, but not be limited to, a formal report, emergency response referral, a cross report from a law enforcement agency or a private party. Once this information is learned the standard condition of reasonable suspicion is applied.~~

~~(a)~~

Penal Code Section 11166(a)(1) defines "reasonable suspicion" and states in pertinent part: "reasonable suspicion" for the purposes of this section means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect.

HANDBOOK ENDS HERE

.12 Within five business days of the county child welfare agency receiving a public request for information concerning a child fatality, whether written, verbal, or via e-mail or facsimile, and the county child welfare agency has reasonable suspicion that the fatality was a result of abuse and/or neglect, the county child welfare agency shall release the information provided in Welfare and Institutions Code Section 10850.4(a)(1-4).

- .122 For cases in which a county's involvement with a child fatality is limited to the provision of medical services to the victim and/or the preparation and issuance of a coroner or medical examiner's report, and the abuse or neglect that resulted in the child's fatality occurred in a different county, the child welfare services agency in the county where the abuse and/or neglect occurred shall report on behalf of both counties.

HANDBOOK BEGINS HERE

Welfare and Institutions Code Section 10850.4(a)(1-4) provides:

- (1) The age and gender of the child.
- (2) The date of death.
- (3) Whether the child was in foster care or in the home of his or her parent or guardian at the time of death.
- (4) Whether an investigation is being conducted by a law enforcement agency or the county child welfare agency.

HANDBOOK ENDS HERE

- .13 A child fatality shall be the result of abuse and/or neglect if any agency pursuant to Section 31-502.14 determines that abuse and/or neglect is either the sole cause of the child fatality, or is a material contributing factor in the child fatality. For purposes of this regulation, "abuse and/or neglect" has the same definition as set forth in section 11165.6 of the Penal Code.

- .131 For the county child welfare agency to find that abuse and/or neglect was a material contributing factor in a child fatality, it is not necessary that an agency described in 31-502.14 determine that the abuse or neglect was the sole cause of the fatality or that the child would have lived if the abuse and/or neglect did not occur. On the other hand, the fact that an agency described in 31-502.14 has determined that evidence of abuse and/or neglect was present is by itself an insufficient basis for the county child welfare agency to find that abuse and/or neglect was a material contributing factor in a child fatality. To meet the material contributing factor test, the county child welfare agency must be able to conclude that an agency described in 31-502.14 has determined that abuse and/or neglect was a factor in the child fatality that was more than inconsequential or incidental, which contributed to the cause or causes of the child fatality.

HANDBOOK BEGINS HERE

Section 11165.6 of the Penal Code provides that abuse and/or neglect shall include, but not be limited to, inflicting physical injury or death by other than accidental means upon a child; failing to provide a child with adequate food, clothing, shelter, medical care, or

supervision; willfully causing or permitting any child to suffer, or inflicting thereon, unjustifiable physical pain or mental suffering; and/or sexual abuse.

The Federal Child Abuse Prevention And Treatment Act at 42 U.S.C. 5106a(b)(2)(B)(X) provides the State plan under part B of title IV of the Social Security Act includes “an assurance in the form of a certification by the Governor of the State that the State has in effect and is enforcing a State law, or has in effect and is operating a statewide program, relating to child abuse and neglect that includes . . . provisions which allow for public disclosure of the findings or information about the case of child abuse or neglect which has resulted in a child fatality . . .”.

HANDBOOK ENDS HERE

- .14 Pursuant to Welfare and Institutions Code § 10850.4(b)(1)-(3), for reporting and disclosure purposes, the county child welfare agency shall rely on a determination by a law enforcement agency and/or a coroner or medical examiner that abuse and/or neglect resulted in a child fatality as described in section 31-502.13, and/or that a county child welfare or probation agency has substantiated that abuse and/or neglect resulted in a child fatality as described in section 31-502.13.
- .15 Where it is determined or substantiated by an agency identified in Section 31-502.14 that a child fatality occurred as a result of more than one cause, one of which was abuse and/or neglect, the county child welfare agency shall report and disclose child fatality information pursuant to Section 31-502.2 and Section 31-502.3.
- .16 The county child welfare agency shall report and disclose child fatality information pursuant to Section 31-502.2 and section 31-502.3 if any of the agencies identified in Section 31-502.14 have made the determination that abuse and/or neglect resulted in a child fatality as described in section 31-502.13, even if another agency identified in Section 31-502.14 has determined otherwise.
- .2 The county child welfare agency shall submit a report to the Department, using the SOC 826 form, for each child fatality when, upon completion of ~~the a~~ child abuse and/or neglect investigation, it has been determined that ~~the child fatality was the result of~~ child abuse and/or neglect resulted in the child fatality pursuant to Section 31-502.13 through 31-502.16. The county child welfare agency shall report this information to the Department using the SOC 826 form. The report shall include the following information:

 - .21 (Continued)
 - .23 Residence of child at the time of death, and at the time that the abuse and/or neglect which resulted in the child’s death as described in Section 31-502.13.

 - .231 (Continued)
 - .232 Parent or Guardian as defined by Sections 31-002(g)(3) and (p)(1). ~~and (g)(3).~~

(a) For purposes of Section 31-502, the term guardian shall also include an adult with whom the child resides and who functions as a putative parent or guardian for the child.

.24 Whether an investigation is being conducted or has been conducted by a law enforcement agency and/or the county child welfare agency.

.25 The agency that made the determination ~~whether~~ that the child fatality was ~~or was not~~ the result of abuse and/or neglect pursuant to Sections 31-502.13 through 31-502.16.

~~.251 CWS or Probation~~

~~A "determination" of abuse and/or neglect by CWS or Probation is the substantiation of abuse and/or neglect allegations which resulted in the fatality.~~

~~.252 Law Enforcement~~

~~A law enforcement investigation concludes that the child's death was a result of abuse and/or neglect.~~

~~.253 Coroner/Medical Examiner~~

~~A coroner/medical examiner concludes that the child's death was a result of abuse and/or neglect.~~

.26 For cases in which a county's involvement with a child fatality is limited to the provision of medical services to the victim and/or the preparation and issuance of a coroner or medical examiner's report, and the abuse or neglect that resulted in the child's fatality occurred in a different county, the child welfare services agency in the county where the abuse and/or neglect occurred shall report on behalf of both counties.

~~.254 Penal Code 11165.12(b) defines a "substantiated" report as one "that is determined by the investigator who conducted the investigation to constitute child abuse or neglect, as defined in Section 11165.6, based upon evidence that makes it more likely than not that child abuse or neglect, as defined, occurred."~~
